

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

JILA SABOURI-CICHANI,

Plaintiff,

v.

SAMUELS JEWELERS, INC.,

Defendant.

Case No. 5:10-04041 EJD

**AMENDED ORDER CONTINUING
CASE MANAGEMENT CONFERENCE
AND REQUIRING UPDATED CASE
MANAGEMENT STATEMENT**

This case is scheduled for a case management conference on December 9, 2011. A review of the docket indicates that no discovery deadlines have been set in this case, and the parties' Joint Case Management Statement does not propose deadlines for discovery (see Docket Item No. 30). The court determines that a case management conference will be more useful after the parties have submitted a proposed schedule. Accordingly,

IT IS HEREBY ORDERED that the case management conference CONTINUED to December 16, 2011.

IT IS FURTHER ORDERED that, no later than December 9, 2011, the parties shall submit an updated case management statement proposing deadlines for the following events.

- Fact Discovery Cutoff¹
- Designation of Opening Experts with Reports
- Designation of Rebuttal Experts with Reports
- Expert Discovery Cutoff
- Deadline for Filing Dispositive Motions²
- Preliminary Pretrial Conference

Dated: December 7, 2011

EDWARD J. DAVILA
